

Beech

“Where everyone has a voice”

Beech class is a group of 9 boys, ranging from year 7 to year 9. Literacy and numeracy are the core subjects of our curriculum and are embedded across all foundations subjects. We have most of our lessons in our classroom.

During registration we complete phonics work and then follow this with morning exercise.

We operate a red, yellow, green behaviour system. We have clear rules for this and we make a judgment of ourselves and peers when we complete behaviour charts.

One pupil has lunch inside and sometimes chooses to have a friend with him.

Our work is sorted in folders with core subjects having books too. We have half term themes and we try and link our learning across all subjects to support our comprehension.

Our classroom is based on developing independence and using our own initiative. Sometimes we find this hard, but we will all be better at this by the end of the year.

We are kind, funny and full of creativity!
