

Our Vision and Ethos

“Where everyone has a voice”

Brackenfield School is a child centred school where functional literacy is our core purpose.

We empower each member of our community to reach their potential - academically, socially and behaviourally, whatever their starting point and whatever their individual need. We will ensure that learning is bespoke, enhanced and personal. We will ensure all our staff are trained to understand and facilitate the needs of our students. We will strive to improve the learning environment to cater the needs of an increasing complex population.

We will keep our students safe and develop their understanding of safety in the wider world. We will allow our students, whatever their communication requirements, to have a voice.
